

Dear Parents,

Welcome to Forest Hill Community Church's KIDS DAY OUT program! We look forward to getting to know you and your family.

This handbook has been prepared so that you may know our program's policies, mission, and the guidelines in which we operate. You are always welcome to ask questions and make suggestions. Our program exists for your family. Cooperation between teachers and parents will contribute to a successful experience for your child.

Thank you!

Nikki McVay  
KDO Director
